Dear Bill:

I would like to thank you again for your understanding on my decision not to provide a sanitized version of my briefing statement.

As we discussed on the phone, I am sending you a package of sanitized materials covering several important intelligence areas. I hope these materials will be of assistance to you as you discuss major intelligence issues with your constituents and colleagues.

Once again, I am glad we could be helpful.

Sincerely,

/s/

William J. Casey
Director of Central Intelligence
